ASBESTOS MANAGEMENT PLAN

Point Isabel ISD is committed to providing a safe environment for all students, employees and visitors. An accredited management planner has developed an asbestos management plan for each school. A copy of the district's management plan is kept in the Principal's office and is available for review during normal business hours. An asbestos management plan is also available at the District's Administration building and the Maintenance Department building.

For additional information please contact the Asbestos Designated Person at 956, 943-0025
